OUR AUDIENCE YOUR CUSTOMERS!

If you manufacture adhesives, develop **raw materials, cutting-edge equipment, or advanced technologies for industrial bonding**, or if you provide innovative **solutions to high-tech industries**, this is your opportunity to engage with new markets. Whether you serve industries such as packaging, automotive, aviation, medical devices, electronics, or offer technical adhesive solutions, specialist tapes or butyl sealants across sectors, the Adhesives & Bonding Expo offers the perfect platform to:

- **Showcase** your innovations to a highly targeted audience.
- **Network** with industry leaders, decision-makers, and key influencers.
- **Expand** your business into a rapidly growing market.
- **Stay ahead** of trends in adhesives and bonding technologies.
- **Collaborate** with peers in packaging, automotive, aerospace, electronics, and more.

Don't miss the chance to connect with industry professionals, gain market insights, and drive your business forward at this premier event!

2024 VISITOR ORGANIZATIONS INCLUDED

3M
. ABB
. Adient
. Ashland
. Audi . Avery
Dennison . BASF
. Beko . Birkenstock
Productions . Emma Sleep
. Farasis Energy . Ford . H.B.
Fuller . Henkel . Infineon . LG
Electronics . Philips . SABIC . Tesla .
Toyota Boshoku Europe . Valeo

WHY EXHIBIT?

FORGE close commercial relationships with buyers seeking a range of industrial bonding solutions for real engineering challenges.

CONNECT with thousands of buyers and specialists from across the entire industrial bonding supply chain, including raw materials developers, adhesive manufacturers, process equipment and technology manufacturers, tier 1 suppliers, OEM's and end users.

EXPAND into new verticals by understanding the needs of a range of end user markets including automotive, aerospace, construction, appliances and furniture, medical device and electronics.

UTILIZE our extensive industry reach before, during and after the show to demonstrate your expertise, launch a new product, benchmark your competitors' products and research the market.

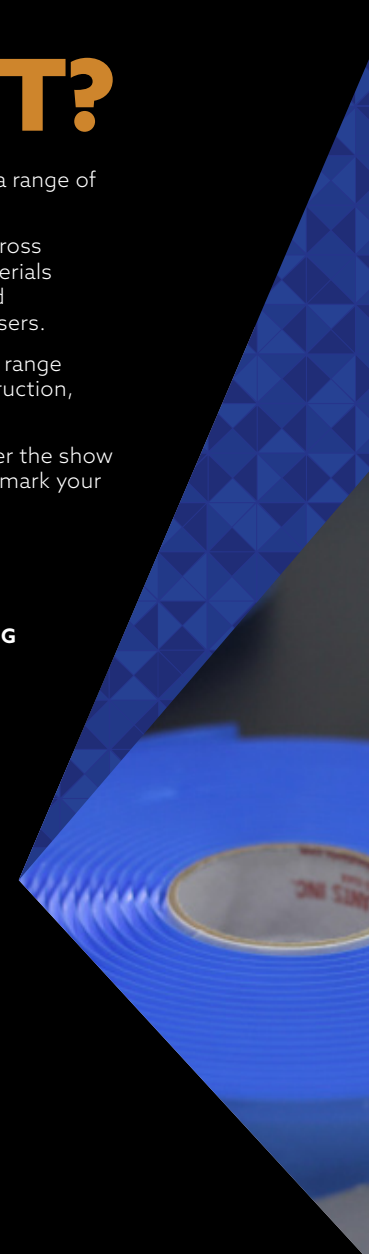

PRIMARY BUSINESS ACTIVITY

- BONDING TECHNOLOGY AND ADHESIVE MANUFACTURING
- ADDITIVE MANUFACTURING
- CONVERTING
- DISPENSING EQUIPMENT / SYSTEMS
- DISTRIBUTION
- END USER/OEMS*
- RECYCLING / REPURPOSING
- SURFACE TREATMENT, COATING & FUNCTIONALIZATION
- ACADEMIA & RESEARCH
- ADHESIVE TAPE MANUFACTURING*
- CHEMICALS
- CONSUMER GOODS
- APPLIANCES / FASHION
- EQUIPMENT / MACHINERY MANUFACTURING
- PROCESSING AND PREPARATION TECHNOLOGY
- MATERIALS
- OTHER

**Industries include automotive, aerospace, sports & leisure, transportation, construction, medical, packaging and more.*

JOB FUNCTION

- ACCOUNT MANAGEMENT
- CONSULTANT
- ENGINEER / TECHNICAL
- MARKETING / PR
- OWNER / CEO / PRESIDENT / VP / MANAGING DIRECTOR
- PRODUCTION / OPERATIONS
- PROJECT / PROGRAM MANAGEMENT
- R&D
- SALES / BUSINESS DEVELOPMENT
- STUDENT / ACADEMIA / SCIENTIST / PROFESSOR
- BUSINESS UNIT / DIVISION HEAD
- OTHER
- PURCHASING / PROCUREMENT
